Keeping in view above, it is recommended that concerned Deputy Commissioners/ Chairman DDMA's and other relevant authorities/ stakeholders may take all necessary mitigation measures. including:

- Stockpile necessary emergency relief/ medicine stores especially in flood affected areas.
- Ensure availability of uninterrupted power supply through intimate coordination with concerned line departments and provision / availability of standby generators for hospitals.
- Emergency services and ambulances with trained paramedics to remain available round the clock.
- Coordinate with concerned departments (NHA, NH&MP and FWO) for issuing necessary alerts to travelers, especially over long distances to take precaution and avoid over exposure to rainfall.

FOR GENERAL PUBLIC/IDPs:
